

## Wai Lana Introduces Healthy Snacks

Wai Lana, host of the long-running PBS TV series, *Wai Lana Yoga*, has introduced a new line of healthy snacks for people looking for something nutritious and satisfying. Her new line includes *Wai Lana Chips* and *Wai Lana Raw Fruit & Nut Bars* for all ages and, for kids, *Little Yogis® Bars*, and *Little Yogis® Granola Fruit Crunch*.

“I wanted to give people more options for their health,” says Wai Lana, who has written several books on natural health, including *Wai Lana’s Favorite Juices* and *Wai Lana’s Favorite Soups*. “It’s easy to reach for something quick when you’re hungry, so I wanted to offer snacks that people can enjoy and that will provide them with good nutrition.”

For chip lovers, Wai Lana’s unique cassava-based *Wai Lana Chips* have 30% less fat than regular potato chips. They’re free of both gluten and GMOs and contain no cholesterol, artificial flavors, or preservatives. They come in ten different flavors that include Sea Salt & Vinegar, Sweet & Sour, Barbeque, Herb & Garlic, French Onion, Swiss Cheese, Chili Lime, Pizza, Thai Curry & Lime, and Natural.

For those wanting to indulge in something sweet without the usual sugar, Wai Lana offers her delicious, gluten-free *Wai Lana Bars*. Free from trans fats and hydrogenated oils, *Wai Lana Bars* are made with raw fruits and nuts. They come in eight flavors: Autumn Apple, Tropical Macadamia, Sunflower Coconut, Cranberry Almond, Cherry Pomegranate, Apricot Cashew, Strawberry Shake, and Nana Banana.

And for children, Wai Lana’s *Little Yogis Bars* are a wholesome snack parents will approve of. The bars come in Banana Split and Oatmeal Raisin flavors. They’re packed with vitamin-rich fruits and nuts and are free from artificial flavors, preservatives, and GMOs. Kids can easily satisfy their craving for sweets without the “sugar crash” afterward. Wai Lana’s *Little Yogis Granola Fruit Crunch*, packed with nutrient-rich whole grains and fruit, is quickly becoming a family favorite.

As one of the world’s best-known yoga teachers, Wai Lana has been making good health easy and accessible to all for the last two decades with her TV series, *Wai Lana Yoga*.
